Remarks/Directions

Client Rmks: **Some properties surprise you. 319 Gingrich Crescent is that kind of surprise. Tucked into a quiet crescent in one of Port Elgin's most quaint neighbourhoods, this spacious four level backsplit sits on a large corner lot and delivers a level of space, updates, and outdoor living that is genuinely difficult to find at any price point. Step inside and you will notice immediately that this home has been refreshed with intention. Fresh paint throughout sets a clean, bright tone, and the kitchen has been thoughtfully upgraded with brand new Mennonite built cabinetry, freshly painted finishes, and soft close hardware on every door and drawer. The layout is where this home earns its reputation. Three bedrooms on the upper level flow down into a generous living space, with a fourth large bedroom just beyond. Continue into the finished lower level and you find a fifth bedroom alongside a full rec room that opens up a world of possibilities. Every level has a purpose. Every square foot works. Outside, the corner lot delivers the kind of backyard that most Port Elgin properties simply cannot offer. A beautifully finished stamped concrete pad anchors the space, complete with a dedicated fire pit area built for evenings worth remembering. A built in irrigation system keeps the generous grounds looking exactly as they should with minimal effort. Five bedrooms. Fresh updates throughout. An outdoor space that stands apart. 319 Gingrich Crescent is a rare find in this market.**
